

# Publikujeme v zahraničí

Milí kolegovia,

redakcia časopisu Onkológia sa v záujme propagácie vedecko-výskumnej činnosti slovenských klinických onkológov rozhodla zaviesť novú rubriku „Publikujeme v zahraničí“. Sú v nej uverejňované práce, kde je prvým autorom alebo spoluautorom aspoň jeden slovenský onkológ. Tieto práce publikované v zahraničných karentovaných časopisoch budú uverejnené vo forme abstraktu. Postery a abstrakty zo zahraničných konferencií uverejníme vo forme názvu práce, kolektívu autorov a konferencie, kde bola práca prezentovaná. Dovoľujeme si vás poprosiť o spoluprácu a zaslanie publikovaných prác na adresu redakcie, resp. v elektronickej forme na adresu editorov tejto rubriky – dr. Rečkovej (mreckova@gmail.com) alebo dr. Mega (misomego@gmail.com). Za spoluprácu ďakujeme.
